ABOUT OUR CAMP

NEED YOU INFO

At Bayview Family Church, we believe children and youth are of the utmost importance to God and His church. Our week of camp focuses on sharing the unconditional love of Jesus Christ with children and youth in a fun, safe, and natural environment.

Established in 1961, our annual summer outreach to youth and children offers an authentic first-class Canadian camp experience at an affordable rate. Our staff of volunteer workers provides a faith-based program while our host camp (Camp Timberlane in Haliburton, ON) provides nutritious and delicious meals, waterfront safety, and an incredible location to run our camp!

BFC Kids Camp has endless activities for your camper to explore and enjoy: arts and crafts, praise and worship, high-ropes, rock climbing, archery tag, jumbo paddle boards, 20-foot diving towers, large water inflatables, canoeing, sailing, kayaking, Finnish Sauna, and so much more!

Please reach out to our Camp Director at
camp@bayviewfamilychurch.com

We're so excited for what God has in store for Camp 2025!
